THE BROOM
DELTA STATE UNIVERSITY
Cleveland, Mississippi
1975

Designed by DSU art instructor, Jerry Walden, the 50th Anniversary medallion is illuminated by two lights, the light from the traditional flame of knowledge over an open book situated in a field of delta landscape and the light from the sun. The design is superimposed over a fifty-point star made from overlapping deltas in a circle to symbolize the fifty years of Delta State.

Delta State Teachers College was founded in 1924 by act of the legislature of the state of Mississippi to "qualify teachers for the public schools."

The bill was ably sponsored in the senate by Senator W. B. Roberts of Rosedale and steered into passage in the house by Honorable Walters Sillers of Rosedale. Location of the college was to be at either Cleveland, Bolivar County, or Moorehead, Sunflower County, or any other city or town wholly in the delta. A committee voted by three to two that the location be Cleveland.

Dr. J. W. Broom 1925-1926
President

Dr. W. M. Kethley 1926-1956
President

Aware of the value of a state supported institution of higher learning, the citizens of Cleveland succeeded in surpassing offers made by other communities. Their offer included 120 acres of land, three two-story agricultural high school buildings, \$54,500 in cash, a pledge to furnish electric lights and artesian water as long as DSTC remained in Cleveland, and numerous other benefits.

The first president of DSTC was Dr. J. W. Broom, Assistant State Superintendent of Education in Jackson. Under his administration, the college opened its doors to students in a summer school on June 8, 1925, and in regular session on September 15, 1925, with an enrollment of 125 and 11 faculty members.

During its first year of operation, the college lost its president. Dr. J. W. Broom died in May, 1926. On July 15, 1926, W. M. Kethley began his term as president. During his administration the first *Miss Delta* was published (1926), the first annual, *The Broom*, was edited (1928), Delta Playhouse was organized (1930), and the Delta Singers were begun (1934).

1956-1971

Dr. Aubrey Lucas
1971-1975
President
of the
University

In 1927, despite the depression, several new buildings were completed. These included a girls' dormitory, two residences, a small frame gymnasium, and a laundry.

In May, 1928, the first graduating class of DSTC consisted of thirteen members who received a B.S. in Education. Miss Mollie Bedwell, valedictorian, received the first diploma. The next important step was the acceptance of DSTC by the Associate Rating in Southern Association of Colleges and Secondary Schools on December 7, 1928. The college was granted full membership in Southern Association of Universities and Colleges on December 4, 1930, when all other state institutions of Mississippi were dropped.

Dr. W. H. Zeigel
1925-1947
Dean of the College

Dr. Joe Farrar
1947-1957
Dean of the College

On February 16, 1955, the word "Teachers" was dropped to leave Delta State College. The following fall, September 1, 1956, Dr. James M. Ewing was inaugurated as Delta State's third president. During Dr. Ewing's fifteen-year term, DSC experienced much growth in enrollment, the physical plant, and prestige. From 1956 to 1971, plant improvement totaled \$15,000,000, and enrollment increased from 527 to 3,039.

Dr. T. D. Young, *Dean of the College*
1957-1961

Dr. J. H. McLendon, *Dean of the College*
August, 1961-December, 1967

Dr. J. W. Gunn, *Dean of the University*
1968-Present

Graduate work for teachers was offered for the first time in 1965. A Master of Education degree was approved and awarded in May, 1966. In November, 1969, the graduate program was expanded with a Master of Arts degree, the Master of Business Administration, the Master of Library Science, and the Master of Science.

In 1969-1970 the academic program was reorganized into four schools. These schools are the School of Arts and Sciences which encompasses the disciplines of the arts, humanities, sciences, and social sciences; the School of Business, formed to prepare a person to enter the world of business or to enter the teaching field; the School of Education which prepares competent teachers for elementary and secondary schools; and the School of Graduate Studies to offer a graduate program for intellectual and professional growth.

In 1971, Dr. Aubrey K. Lucas began an impressive term as president of DSC. One of the many highlights of his administration was the change of name from Delta State College to Delta State University on March 15, 1974. Today, DSU's physical plant has an estimated net worth of \$28,000,000. There are 178 full-time faculty members and approximately 3,200 students. In the history of the school, 1,126 graduate degrees and 8,933 undergraduate degrees have been awarded.

Delta State University has expanded beyond the original mission of teacher preparation into a multi-purpose institution serving students, alumni, community, state, and the nation.

DELTA

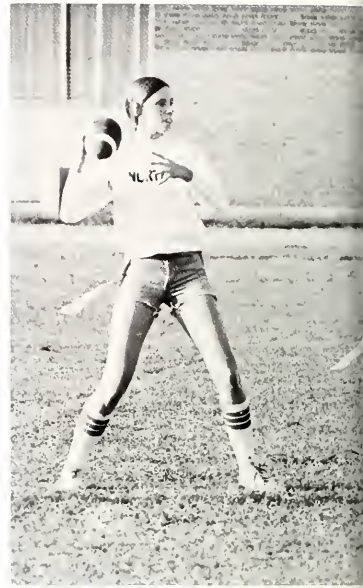

STATE!

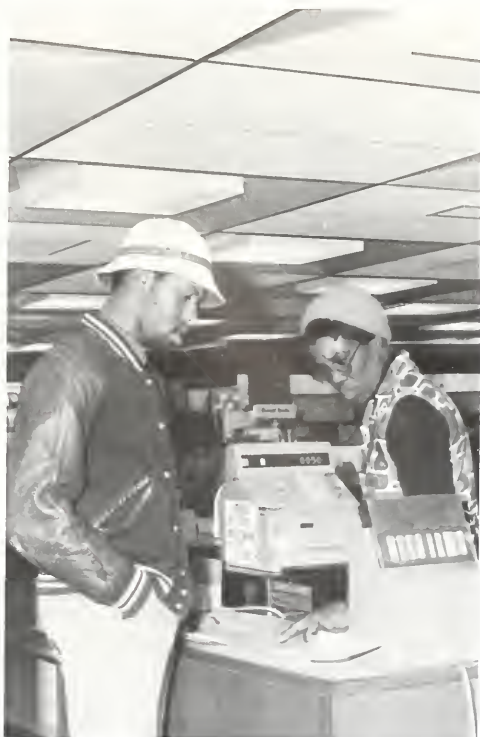

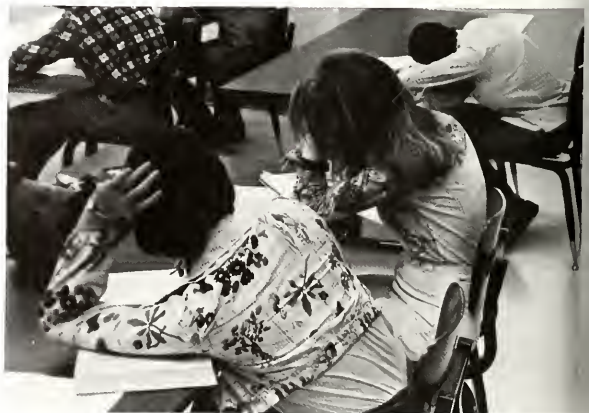

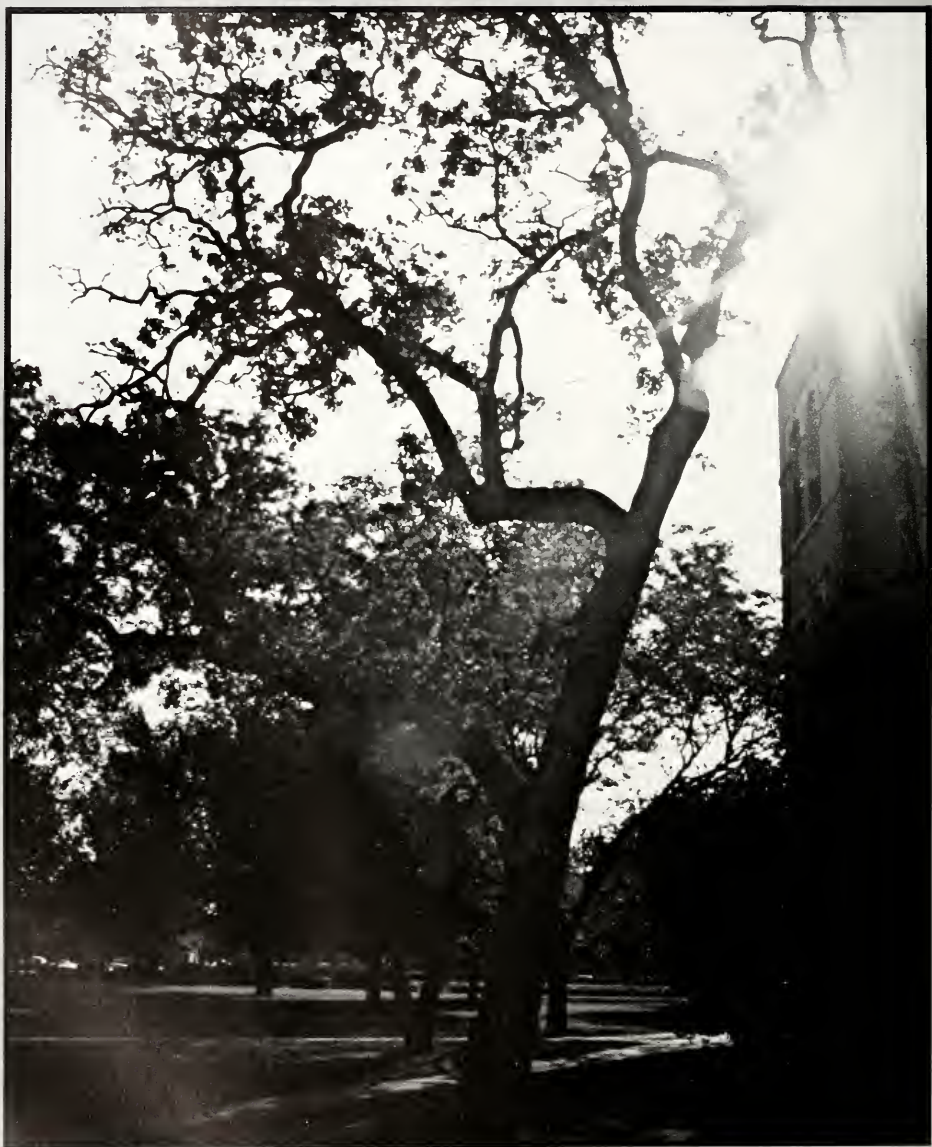

For the first time ever, a woman was listed among the inductees of the Mississippi Sports Hall of Fame. This woman, Miss Margaret Wade, was inducted along with four other outstanding sports personalities of Mississippi on March 16, 1975.

As a player at Delta State Teachers College, Miss Wade won top ranking, captained both basketball and track teams, and was awarded the title of Most Athletic. Miss Wade returned to Delta State in 1959 as Assistant Professor of Health, Physical Education, and Recreation. Coach Wade was called back into action as coach at DSU for the 1973-74 basketball season and directed the Lady Statesmen to a 14-1 record that gained them championship of the Mississippi Women's State Tournament.

We, at Delta State, are proud of Coach Wade's many achievements and impressive record. Her career has made her worthy of any recognition she could receive. Delta State congratulates Coach Lilly Margaret Wade, a deserving member of the Mississippi Sports Hall of Fame.

He has achieved success who has lived well,
laughed often and loved much; who has gained the
respect of intelligent men and the love of little
children; who has filled his niche and accomplished
his task; who has left the world better than he found
it, whether by an improved poppy, a perfect poem
or a rescued soul; who has never lacked
appreciation of earth's beauty or failed to express it;
who has looked for the best in others and given the
best he had; whose life was an inspiration; whose
memory is a benediction.

IS THIS MOM'S BEST

Last year the team won 13, lost 2 and tied 1. This record gave them 4th place in the GSC. They were coached by Dr. Derrall Foreman.

Also for the first time their history they defeat Ole Miss and Mississippi State.

ACADEMICS

Home Economics Club — 1928

PRESIDENT OF
DELTA STATE UNIVERSITY
Dr. Aubrey Keith Lucas

WE, THE 1975 BROOM STAFF, DEDICATE WITH PRIDE AND APPRECIATION THIS ANNUAL TO DR. AUBREY KEITH LUCAS. Dr. Lucas made outstanding contributions to Delta State University, the students who attended our University during his Presidency, the faculty who worked under his leadership, and the alumni and friends whose support and respect he gained as he worked for a better Delta State University throughout Mississippi.

During Dr. Lucas' administration The Union was constructed and completed; plans were made for an addition to Caylor Hall, a new Education Building, and an Athletic-Physical Education Facility. Another significant accomplishment which occurred was the change of name from Delta State College to Delta State University.

One of Dr. Lucas' outstanding attributes was his vital and personal interest in students. During his tenure of office, he brought about many improvements which boosted student morale. His interest, his concern, his guidance, and his fellowship were all instrumental in bringing about these changes.

The faculty and staff recognized Our President for his intellectual and cultural interests, his enthusiasm for and dedication to his work, his fairness, his keen sense of humor, his friendliness, and his personal interest in everyone who worked under his leadership.

Although Dr. Lucas was with us only four years, (1971-1975), we are thankful for the years we had him. He kindled in our hearts a deep admiration and love for his outstanding personality and character. His untiring efforts to advance Delta State University and bring about a closer bond among students, faculty, staff, alumni, friends of our University, and the Delta Community leave an unforgettable memory of a truly great man and educator.

Governor of Mississippi William L. Waller
